

## ADII Services launches portal [www.orissa360.com](http://www.orissa360.com)

Pioneer News Service | Bhubaneswar 11th February

**A**DII Business Services on Sunday launched an exclusive portal on Orissa, [www.orissa360.com](http://www.orissa360.com). The portal is designed to disseminate information in comprehensive format in the minutest microscopic dynamics on all segments.

At a Press conference here, director and CEO of ADII, Ashwini Kumar Rath, said, "We guarantee customer satisfaction by providing high quality services and excellent return on investments to our customers." As to why he preferred [orissa360.com](http://orissa360.com), he said this is 360 degree and intends to carry all information regarding the State. He fur-

ther said from statistics it is learnt that the present web portal contains the best comprehensive yellow pages that provide information about 25,031 business establishments with their addresses and telephone numbers.

The portal contains information on sectors like career, healthcare, sports, science and technology, tour and travel, art and craft and lifestyle. It also showcases city guides comprising names of districts, maps, history, culture and heritage, means to reach there, information regarding accommodation, shopping, fairs and festivals and entertainment.
